**Boss Locks - the India's favorite lock brand!**  
 The "Boss Locks" story began in 2014 with manufacturing of door locks in Brass city of Jamnagar. Since then, Boss Locks has set several benchmarks in the luxury hardware industry- from being the biggest range of Main Door Locks to variety of Architectural Hardware.

Boss Locks is a brand of the VK Industries. From a state-of-the-art manufacturing facility Boss provides locking solutions for homes, offices, industries and the hearts of millions of people in India and around the world for whom 'locks' means Boss.

**Core Values**

- ▲ Responsibility = Growth
- ▲ Hard Work + Smart Work
- ▲ Integrity
- ▲ Excellence

**Core Purpose**

To increase market share constantly by expanding our product range.

State of the art manufacturing plant backed by the world class technology such as special purpose CNC imported machines, Ultramodern Press shop, Machine Shop, and Plating Plant ensures that each lock and key produced in the factory is consistent in both quality and function. The complete manufacturing facilities are strategically located at Jamnagar, Gujarat (Brass Hub of India).

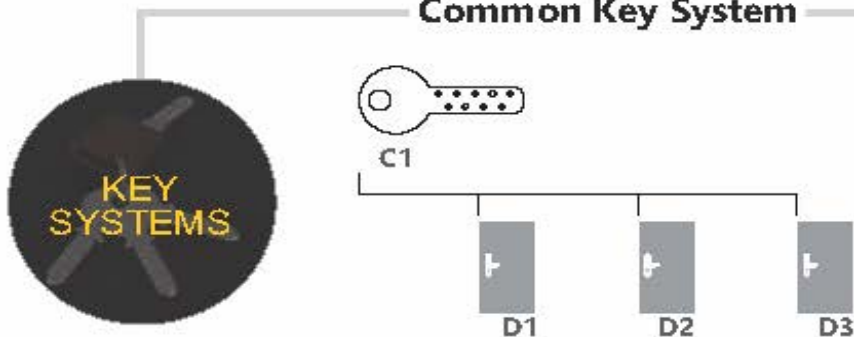

**International Testing Standards**

- 1500+ Solvent Resistance (Double Rubs Acetone Test)
- 4H+ Pencil Hardness (Mitsubishi)
- Abrasion Test (ASTM D968) 18+ Litres Ottawa Sand
- Neutral Salt Spray Test As Per ASTM B117 250+ Hours
- Lock Cycle Testing Machine : 2,00,000 Life Cycles or More
- Perspiration Cycle 2-3 Cycle
- Humidity Resistance (IS 101) 101 Hours
- UV Light Resistance Dyed "Brass" (Using UV B313 tubes 2 hours UV at 60°C)

**Warning**

Please Do Not Use/swipe Detergent Or Organic Chemicals For Cleaning Any Parts Of The Products. It May Harm The Finish And Damage The Appearance Of The Products. This Will Not Be Covered Under Warranty.

**Common Key System**

A Common Key is a key which can operate a set of identical locks.  
 Examples: Toilets, Ducts, Service Rooms
