About Us

Verma • Sharma Traders is a multinational company manufacturing and supplying PET bottle scrap, bicycle pedals, wheat seeds, fresh tomato, basmati rice and much more. Our manufacturing techniques are modern and quick and we maintain quality standards.

Our workers under the guidance of Mr Narender Kumar Luhani work day and night for our clients and customers. We make top class products which are loved by all and are in huge demand in the market. The equipment that we use are advance and modern and they are the reason why our products are fresh and fine. We adopted hygiene methods as well so that our customers and clients are safe and the products are also safe for use.

Why Choose Us?

 Choosing us is a great idea because you get everything at our company. Varieties of products are amiable at our company for our customers. All these products are tested and are proved safe. We are a trustable and certified company who provides you with excellent delivery service as well. We supply all our products to different parts of the country even in huge bulk.

 In case of any problem call us and get the best solutions. We are available to our customers throughout the year.
