is a trusted name from Delhi (India) that is engaged in the manufacture of different kinds of utility products. We are counted among dependable manufacturers, exporters, and suppliers (wholesaler/retailer) of the high-quality brass products, copper products, steel copper products, crystal brass bangle box, white metal serving tray with bowl, decorative table lamp, Moscow mule mug, and steel lazer art dinner plate. All these products are manufactured using the finest materials that are sourced from trusted vendors in the market.

Shanaya Creations is a trusted name from Delhi (India) that is engaged in the manufacture of different kinds of utility products. We are counted among dependable manufacturers, exporters, and suppliers (wholesaler/retailer) of the high-quality brass products, copper products, steel copper products, crystal brass bangle box, white metal serving tray with bowl, decorative table lamp, Moscow mule mug, and steel lazer art dinner plate. All these products are manufactured using the finest materials that are sourced from trusted vendors in the market. We have a state-of-the-art manufacturing plant, where highly competent manpower is deployed to strengthen manufacturing and other processes. We have offering products at reasonable prices, and distribute them across the major markets like India, the Middle East, USA, and Europe.

Right after marking its foray in the utility products manufacturing business, Shanaya Creations has started receiving a good response from the worldwide markets. The company came into being in the year 2017 when the diligent founder i.e. Ms. Yogita Singh Rastogi laid the organization's foundation stone at the national capital of India i.e. Delhi.

MANUFACTURING UNIT

We are backed by a well-structured manufacturing unit, which is equipped with upgraded tools and equipment, which enable us to bulk produce brass products, copper products, steel copper products, crystal brass bangle box, white metal serving tray with bowl, decorative table lamp etc. All our products are highly demanded in the global market.

CUSTOMER SATISFACTION

We offer only quality products to the customers. We have a wide distribution channel and speedy shipment facility that helps us in delivering the orders well on time.
