ABOUT US

To become a global leader in international food trade through quality products, Pisum Food Services Pvt Ltd is setting a benchmark in Pune, Maharashtra. We are a leading supplier of fresh fruits, fresh vegetables, beverages, oilseeds, Indian spices, pulses, grains, cereals and cashew nuts to various destinations across the globe.

Since incorporated in May 2015, we have gained immense experience and expertise in providing food services to the highest quality to our clients. Under the commendable supervision of our Manager, Vinit Chandele, we have grown to be among the go-to companies for food export from India.

OUR TEAM

We treat our team members as our assets. Hence, we have hired a hand-picked team of expert professionals who manage and maintain work diligently, so we meet the client's expectations appropriately. We ensure that the food stays healthy and fresh and reaches the same to our customers.
