Established in 2008, we, A.J Industries, are one of the reckoned manufacturers & suppliers of a wide assortment of super quality medical, automobile & cleaning products. From medical items like PPE kit, sanitizers, face shields, industrial chemical to automobile products such as car dashboard polish, paint spray gun, high-pressure car washer and many more, we offer a broad range of different products at affordable rates.

Manufactured using finest quality chemical compounds & latest techniques in compliance with the set industry norms, our products are endeared for their superb performance, great quality, seamless finish & nominal rate. Furthermore, we can make these products available for our customers in diverse specifications as per the varied requirements of customers at the most competitive price range.

Located in Prayagraj, Uttar Pradesh we have a functional manufacturing unit where each and every product is sternly examined by a team of quality checkers on many predefined parameters before the final delivery to avoid flaws at the clients' end.

Supported by a team of agile professionals, great infrastructure and wide network we can cater to bulk or urgent orders in the shortest stipulated time frame. Under the valuable guidance and supervision of our mentor, Mr. Ajay Kumar Singh, we have been able to carve a niche in this competitive industry within a short time.
