About Us

Mystic Garuda Ventures (OPC) Pvt. Ltd. is an esteemed organization from Thane (Maharashtra) that is engaged in the trading of Whole Spices, Resins and Damar Batu. We are known as a dependable exporter, importer, and supplier (wholesaler & retailer) of premium quality damar batu, gum copal and gum damar. We source our goods directly from farmers in source countries like Indonesia. We maintain strict quality guidelines to source, transport and process all goods to ensure most authentic quality to our valuable clients. We use our own plants and storage depots with experienced personnel to ensure unmatched quality. The team which manages our supply chain has more than 20 years of experience of handling the sourcing, warehousing, processing and supply of the products. Our expertise in the supply chain management of the agricultural and forestry products enables us to maintain unmatched quality at competitive price along with delivery in assured timelines.

Mystic Garuda Ventures Pvt Ltd is in the business of procuring, trading and distributing only the best quality forestry, agricultural and finished products. Ms. Priyanka Prasad is the esteemed Owner and Director of the organization. We came into being in the year 2018 with the aim of serving as a trusted partner of our clients, and maintaining a long-term association with them. We also have branch office in Indonesia under company name PT Wisnu Dewa Anugerah.

Markets, we serve

We have emerged as one of the fastest growing organization in the industry across the globe. With our headquarters located along the economic hub of India, we have expanded our business across the world, e.g., India, Indonesia, Bangladesh, Africa, Middle East and so on.
