Oneway Export is the leading manufacturer and supplier of towels and plastic crafts. Our products mainly include bath towels, hand towels, face towels, kitchen towels and plastic handicrafts. Based in Namakkal, Tamil Nadu our company exports products to almost all parts of the world. In just a few days we have gained huge popularity among the people due to the quality of the products. Our products are of superior quality and amazing to use.

The towels that we supply are soft and are made with fine fabric. Even the crafts made with plastic are gorgeous and eye-catching. You would love them and can use to decorate your residential or commercial place. We supply our products in different hotels, resorts and other such places in bulk.

We have a strong network and a great team with excellent coordination. They all are qualified and trained. Our employees help us implement new and unique ideas and make sure that the products are of a finer quality and similar in each batch.

WHY US?

There are several reasons to choose us. The first and foremost reason is quality. We ensure that the products that we manufacture are of good quality and are made with great material. We also deliver in bulk and are always on time. For any kind of question, you can contact Rajasekar Masilammai and his team. They are available 24/7 for your help. Thus choose us and our products and enjoy all the services that we provide.
