ABOUT US

Established in 1998, LEMISON has grown from a passionate family-run initiative into a leading global name in industrial laundry and textile finishing solutions. With over 15+ years of successful experience, we take immense pride in delivering high-quality machinery backed by outstanding after-sales support.

Founded by Mr. Arshil Saiyed and Ms. Sophia Saiyed, LEMISON began its journey with a vision to revolutionize the laundry industry. Today, under the leadership of Mr. Shadabali Mumtaz Ali Saiyed, we are recognized as one of the most trusted manufacturers, exporters, and suppliers of premium-grade laundry systems across India and worldwide.

With a strong presence in Ahmedabad, Gujarat, our network extends globally, supplying machines to multiple countries including Tanzania, Bahrain, Kuwait, Oman, and many others. Whether it's a single machine or a complete high-capacity setup, our experienced technical team ensures clients receive the right solution based on performance, efficiency, and cost optimization.
