About Us

Hexa Agro Industries is a well-established name in the market of Ahmedabad. We are in the business of manufacturing, exporting and supplying superior quality plant growth promoters, organic pesticides, nex-phate herbal pesticides, ozone organic fungicide, Dr. Root organic nematocide, proxima cal organic manure and many more. We offer different types of plant growth promoters such as captain plant growth promoter, egergy plant growth promoter, hexa amino plant growth promoter, etc. These plant growth promoters are made using the finest quality ingredients. The formula mixed in these plant growth promoters just enhance the growth of plants. We also provide different organic pesticides like fly out organic pesticide, hulk organic pesticide, kill-bill organic pesticide, etc. Our organic pesticides are highly effective in killing various types of pests. Dial our numbers now to connect with us.

Hexa Agro Industries is an Ahmedabad (Gujarat, India) based company, which is operating in the industry since 2011. Mr. Vijay Thummar is the Founder of the company, whose immense leadership has allowed us to gain a huge clientele all over Ahmedabad.

• Quality

Over the last nine years, we have always made sure that we deliver only the finest quality products to the clients. We have also appointed highly reliable and deft quality auditors to complete this process of quality checking.

• Why Choose Us?

Since its inception, Hexa Agro Industries has become a leading name in the industry for providing best-in-class products to the clients at affordable charges. Apart from this, our timely delivery policy has made us more popular in the industry.
