Noreva Biotech proudly presents itself as a Jaipur (Rajasthan) based WHO-GMP and ISO 9001-2015 certified organization that has an active presence in the pharmaceutical industry. We serve as the foremost manufacturer, exporter, & supplier of different kinds of Pharmaceutical Tablets, Pharmaceutical Capsules, Pharmaceutical Syrup, Whey Protein Powder. We also deal in PCD pharma franchise and pharma third party manufacturing. We are a registered Indian pharma company engaged in manufacturing and marketing of pharmaceutical formulations.

Our products are produced at cGMP and HACCP certified manufacturing unit that operate in compliance with the laid standards of World Health Organization (WHO). Our manufacturing plants have also managed to achieve recognition from WHO-GMP, GLP, ISO 9001:2008, ISO9001:2015, HACCP, and FSSAI.

Noreva Biotech, which started business operations back in the year 2010, has today grown into one of the leading pharmaceutical companies in the healthcare sector. We are a registered Indian pharma company engaged in manufacturing and marketing of pharmaceutical formulations. We are specially acclaimed for our General Medicine, Orthopedics, and Gynae segment products. Mr. Mukesh Chaudhary is the esteemed Director of the organization.

Network

We have established a wide marketing network that is operative in domestic and international markets. The set-up is supplemented by a wide distribution network in all activities which are centered on establishing the company's brands in respective markets for sustained sales. Our focused approach on key markets and towards 'brand building' in those markets over the past few years have resulted in consistent above-average growth rates. A well-knit marketing and distribution network synergy has been instrumental in this achievement.
