

K. Vijay Lakshmi

City: Hyderabad

State: Telangana

Areas where I have farm: Pedda Chinthakunta

Current Work: Farm Manager

Vijay Lakshmi Katta Director of Prashi Farms Private Limited, We started this company as me and my daughter-in-law Shereesha Katta, on 20th April 2020. As I have hands-on experience of about 25 years in livestock nutrition, in agriculture and in animal science. I currently manage 18 acres mixed farm on All-Vegetables, Rice, Chilly, Cotton and Groundnut. I have also breed livestock which included 10 Cows, 50 Goats and 100 Chicken.

I have purchased our first farm investment 30 years; an 18 acres property in Pedda Chinthakunta, and residential building in Hyderabad. I completed HSC in 1965, Mother to a son and a daughter.

I have worked in the agricultural service industry before I became a Farm Manager, while I travelled and managed my own farms, gave some part of land for lease. I have basic, territorial and extensive knowledge for Agriculture and Animal farming in the geo graphical location of my farm.

- Orcharding

FARMING METHODS:

- Organic 4
- Regenerative 4
- Grass fed 4
- Biodynamic 3
- Urban 2
- Conventional 2

WHY ARE WE PASSIONATE ABOUT FARMING?

I'm both passionate about farming and food. My interest is in regenerative farming by using livestock in a planned rotational grazing model to improve soil health, lower inputs and produce a healthier product that we can market direct with our consumers. Our dream is to be able to work in a full time capacity in the business.

BEST DAYS OF BEING A FARMER:

My dream would be to have the capacity to work in the farming business full time. My a part of my team would be involved in checking and moving the livestock as part of the planned grazing rotation, while the other part of team would be using her outgoing and bubbly personality to direct market and engage with the customers who are buying our produce from us. We would love to raise our children as part of our business and they would grow to understand and appreciate where their food comes from and how it is produced.

FARM OPPORTUNITIES SOUGHT:

- Equity
- Lease
- Share Farm
- Vendor Finance
