

## Sireesha Katta

City: Hyderabad  
State: Telangana

I' Katta Sireesha am a highly motivated individual with strong work ethic, adaptability and a high attention to detail, with B.Tech from JNTU in computers, Goethe zertifikat B1(Goethe zentrum, Hyd). In early stages Oracle developer, Implementing the data model required by the application, Writing server-side PL/SQL and client side procedural code that use SQL statements, Creating the application interface with the chosen development tool and also I worked as administrative assistant. Co-ordinating between departments and operating units and resolving day-to-day administrative and operational problems.

I'm working freelance as Translator in German. Working on Data entry and administration of the Deutsch online store content and take private tuitions, there by improved grades and developed a passion for liberal arts also translate texts have included fables ,medical and art exhibition brochures.

With experience in leveraging consultative strategies that build relationships across all. Deep knowledge of marketing campaign development and implementation. I'm now working with my mother-in-law, with Prashi Farms Private Limited company registered to under take our farm activities to next level. We are looking to setup goat farming, self-production of food for the animals, dry warehousing and cold storage, setting up of food processing units and meat processing units and get in to import and export of the products in raw and processed food products to various countries.

As I have seen and helped my mother-in-law I became both passionate about farming and food. Our dream is to be able to work in a full time capacity in the business.

We are looking for investment in to our farm start-up and looking for investment in Equity, Lease, Share Farm and Vendor Finance.
