

Om Sai India

Manufacturing and Supplying
ayurvedic powder, supplementary
capsules, protein powder, herbal
juice, and cosmetic products

Om Sai India

Headquartered in Faridabad, we at **Om Sai India** have garnered our due credits for creating a niche in the field of manufacturing and supplying ayurvedic powder, supplementary capsules, protein powder, herbal juice, and cosmetic products since 2015. We are highly relied on by pharmaceutical companies and industries engaged in the nutraceutical field because all our products are infused with natural products with no toxic chemical properties.

You can count on our diet products to improve your overall well-being as they are formulated using advanced science and technology. The machinery used for the making of our products is top-notch and of premium quality. To dissolve all kinds of health problems from the lives of mankind, we have brought forth the largest collection of powders and capsules that are known for their efficiency.

Highest-Quality Diet Powders and Capsules

We maintain total flexibility when it comes to manufacturing our products because we believe every client is different and has different needs. The raw materials we use for the making of our products are of premier quality and are known to effectively treat all kinds of problems in your body.

Each of our products is checked on different parameters by our quality personnel to ensure the quality we deliver to our clients is consistent. The products are completely natural and contain no side effects. To browse through our products and or to place an order, get in touch with our professional right away.
