About Us

With the zeal and vision to promote a healthy lifestyle amongst the present generation, we at Rushiwat Farmers Producer Company Pvt. Ltd has been manufacturing and supplying a vast-array of organically pure products. Based in Washim, we are the pioneers of organic farming products on a national level. Since our launch in 2014, our bestselling products like Organic Turmeric Finger, Salem Turmeric Finger, Erode Turmeric Finger, Wheat Flour, Gram Flour, Desi Black Chickpeas, etc are all ethically sourced and caters to your needs.

For years, we have been providing healthy and cost-effective alternatives to communities. Our company always believes in maintaining the best standards in our vendors, featuring reliable products reputable for their quality.

WHY CHOOSE US?

- ✔ We have carved a niche in their domain by adopting a customer-centric towards quality management. At our company, every effort is undertaken to secure a matchless quality of products. We are aided by a robust infrastructure that aids us in manufacturing and exporting premium quality products.
- ✔ Our company is backed by our prolific R and D team, and we are proud to be aided with a cutting-edge manufacturing facility. This has enabled us to offer you fresh produce at a low price. Our vision was crystal clear since the beginning of our endeavor to create a benchmark in organic products. We continuously kept upgrading our knowledge to devise the superior organic goods for our consumers.
- ✔ We are ready to cater to the needs of different customers, equipped with the know-how to make bountiful of suggestions. We are a one-stop solution for a better or a healthy life
