About Us

N.S. Overseas

N.S. Overseas, a dynamic enterprise established in the year 2021 by Mr. Siddharth Donga, has rapidly emerged as a prominent Manufacturer and Supplier of high-quality Brass Control Valves. Our state-of-the-art facility is strategically located in Jamnagar, Gujarat, enabling us to serve clients efficiently across India.

With a steadfast commitment to excellence, we specialize in crafting a comprehensive range of brass components essential for various industrial and commercial applications. Our product portfolio encompasses 1/2 Inch Brass Ball Valve, 3/4 Inch Brass Ball Valve, 1 Inch Brass Ball Valve, Brass Control Valve, Brass Nozzle, Gas Nozzle, Male Hose Nozzle, Nozzle Bib Cock, and Angle Cock. Each product is meticulously engineered to adhere to stringent quality standards, ensuring optimal performance and durability.

At N.S. Overseas, we pride ourselves on our customer-centric approach. Our skilled team of professionals is dedicated to understanding the unique requirements of our clients and delivering tailored solutions that exceed expectations. We believe in fostering long-term partnerships built on trust, reliability, and open communication.

Our manufacturing processes are underpinned by advanced technology and a skilled workforce, enabling us to produce products that consistently meet the highest industry benchmarks. We are committed to sustainable practices and strive to minimize our environmental impact throughout our operations.

Our journey began with the vision of Mr. Siddharth Donga, who established N.S. Overseas with the aim of creating a company that would become synonymous with quality and reliability. Today, we are proud to be a driving force in the brass components industry, consistently exceeding customer expectations.
