NATURE OF BUSINESS
EXPORTER, SUPPLIER

Stone India International is a Rajasthan-based exporter. We serve as an exporter of different kinds of marbles and stones. We are agile in exporting bulk orders of granite stones, marble slabs, natural sandstone, onyx stone, and travertine stone. Besides, we also provide quartz lumps and fine quartz powder. The stone slabs exported from our end are flawless and manufactured by using the right material acquired from vendors. Whatever is the requirement of the client, we actively provide them instantly. Owing to our agility, we've been a prominent name in the industry.

Stone India International was set up in Kota in 2012. The key motive behind the company's establishment was to provide optimal quality stone slabs at competitive rates. Many businesses have benefitted after our existence. Our teams are always available to assist all clients that turn to us.

THE STORAGE

We have a spacious storehouse for storing slabs of granite stones, marble slabs, natural sandstone, onyx stone, and travertine stone. We also store quartz lumps and fine quartz powder separately. All items are stored separately and sanitized regularly.

FLEXIBLE PAYMENT POLICIES

We have flexible payment policies that make it easier for clients to pay for their orders. You can inquire more about the payment methods by speaking to our experts.
