ABOUT US

RS Enterprise

RS Enterprise is a licensed provider of various forms of liquid indicator metal circlips, nuts and bolts, pipe fittings, and liquid indicators. With new appliances, our infrastructure includes an extensive selection of steel pipes and fittings. Our products are manufactured according to international standards. Our two cornerstones of our company are the excellent standard of our goods and solid infrastructure in order to satisfy the diverse requirements of our customers.

Our expert team consists of technocrats, quality inspectors, and builders who work together closely to deliver an excellent range of Hex Head Screws and Bolts, Hoze Nozzles, ERW Pipes, Seamless Pipes, and many more to our customer base. Our complete product range has been tested on different criteria to provide the highest quality results.

WHY US?

We see ourselves as a growth-focused business enterprise that fosters high business ethics standards. We are still trying to build strong research and development facilities and constantly innovate with our products. Each member of the organization, when working with us, will also be proud and motivated. Our mission is to be recognized as your best and preferred supplier of attachments and components by our customers. We are committed to fulfilling our customers ' needs by our people who provide excellent customer service.

PIPE FITTINGS

RS Enterprise

PIPE NIPPLES

Size	:	Available in Different Sizes
Material	:	Mild Steel, Stainless Steel, GI
Shape	:	Round
Application	:	Pipe Fittings
Color	:	Black, Grey
Feature	:	Corrosion Proof, Fine Finished
Finishing	:	Polished

PIPE PLUG

Size	:	Available in Different Sizes
Material	:	Stainless Steel, Mild Steel , GI, CI
Thickness	:	0-5mm
Application	:	Plumbing
Color	:	Black, Grey
Feature	:	Corrosion Resistance
Surface Finishing	:	Polished

PIPE SOCKET

Material	:	Stainless Steel, Mild Steel , Brass , GI
Shape	:	Round
Application	:	Pipe Use
Color	:	Grey
Feature	:	Easy To Use, Good Quality
Size	:	Available in Different Sizes

PIPE ELBOW

Material	:	Stainless Steel, Mild Steel, Brass, GI, CI
Shape	:	Elbow
Thickness	:	0.5-1mm
Application	:	Pipe Fittings
Color	:	Grey
Feature	:	Crack Proof, Easy To Fit

PIPE FITTINGS

RS Enterprise

PIPE TEE

Material	:	Metal
Shape	:	T Shape
Application	:	Pipe Fitting
Feature	:	Crack Proof, Excellent Quality
Finishing	:	Polished
Size	:	Available in Different Sizes

PIPE REDUCER

Material	:	Brass, Stainless Steel, Mild Steel, GI, CI
Thickness	:	0-5mm
Application	:	Pipe Fitting
Color	:	Grey
Feature	:	Corrosion Proof, Excellent Quality
Size	:	Available in Different Sizes

PIPE BUSH

Material	:	Stainless Steel, GI, CI, Mild Steel, Brass
ShapeRound	:	Round
Application	:	Pipe Fitting
Color	:	Grey
Feature	:	Durable
Pattern	:	Plain

OLIVE CONNECTOR

Material	:	Metal
Size	:	Available in Different Sizes
Usage	:	Pipe Fittings
Color	:	Golden
Thickness	:	0-5 mm
Feature	:	Durable

PIPE FITTINGS

RS Enterprise

GREASE NIPPLES

Material	:	Metal
Thickness	:	0-5mm
Application	:	Automobiles
Color	:	Silver
Feature	:	Corrosion Resistance
Surface Finishing	:	Polished

HOSE NOZZLE

Size	:	Available in Different Sizes
Material	:	Metal
Diameter	:	1-2mm
Color	:	Golden
Finishing	:	Polished
Usage	:	Fittings

METAL FLANGES

Size	:	Available in Different Sizes
Material	:	Metal
Shape	:	Round
Thickness	:	5-10mm
Application	:	Fittings
Surface Finishing	:	Polished

PIPE VALVES

Size	:	Available In Different Sizes
Material	:	Metal
Application	:	Pipe Fitting
Color	:	Black, Grey, Sky Blue, White
Feature	:	Corrosion Proof, Durable
Pressure	:	High, Low, Medium
Types of Valves	:	Gate Valve, Globe Valve, Ball Valve, Stop Cock Valve, Check Valve, Sight Feed Valve, Pressure Gauge Valve, Air Relief Valve

FASTENERS

RS Enterprise

Hex Head Screw
