Ganapati Enterprise is a manufacturer, exporter and supplier of unique pencils. Our company is based in Gurugram, Haryana. We manufacture velvet and eco-friendly pencils. We make these pencils by recycling paper and other products. We have adopted unique methods for manufacturing these products. Our products are highly in demand worldwide and because it is safe and secured for our planet and also efficient.

Our unique eco-friendly pencils have a positive side. Using these you can save trees and also recycle waste products to make something useful. Our products contribute to the environment rather than destroying or harming it anyway. With the use of our products can make our planet greener by saving trees.

Our products are 100% safe for use and don't contain any harmful products. We use human-friendly products and advanced technology for producing our goods.

WHY CHOOSE ECO-FRIENDLY AND VELVET PENCILS FROM US?

- ➡ High strength
- ➡ Light in weight
- ➡ Amazing and elegant design
- ➡ Smooth writing
- ➡ Easy to sharp
- ➡ 100% eco-friendly
- ➡ Elegant design

By making small initiatives in our daily lives, we can put a large environmental effect. We also offer our clients with customised products that match their requirements. You can use our pencils as promotional and corporate gifting and promote their eco-friendly image. Therefore order our products online and get it delivered on time. Call us and tell your requirements to get a quote.
