# ABOUT US

Everstore is a Ghaziabad-based company engaged in the business of high-quality imported and refurbished drives and laptop accessories at competitive rates. Our company authorizes businesses to upgrade their system with extra storage capacity within their budget. We are offering computer and laptop accessories at wholesale prices.

Our products are checked and verified before supplying to the customers. We promote a sustainable approach to technology consumption that reduces e-waste and resource depletion. Therefore, we are offering refurbished products with quality checking on several parameters.

## ● Quality Assurance

We are dealing in hard disk drives for laptops, surveillance, Gaming, etc, from Western, and Seagate brands. Our products are inspected on various points and quality assurance processes for excellent performance and performance. We maintain an excellent inventory that serves laptops with storage capacities that ensure a perfect match for customer needs.

We offer complete warranties on all imported and refurbished products and offer exceptional support to address any inquiries. We offer excellent price reductions for bulk purchases for businesses and resellers. Our team of professionals helps customers with product selection, order processing, and sales-support.

## ● Our USP

Our company is committed to providing a reliable source for high-quality, affordable imported and refurbished hard disk and laptop accessories. We offer excellent solutions for maximizing value. We are renowned for offering these products at reasonable rates within the stipulated timeframe.
