Originated in India as a business hub we already introduced our services in Kolkata and proud to announce that now our services and products (Agricultural, Marine, Engineering, Constructional, decoration related products) are open for Thailand as well as Globally. Our vision is to deliver these services smoother and swift for all. Presently we cannot think our daily life without digital support. Almost all things (from ordering food to booking a beautician) are now available in fingertips except few professional services which are not well designed as well as not so well prepared to acquire. Many people need services like export, pre-wedding events, tax & accounts, IT support, legal services, startup consultant.. but cannot obtain due to lack of availability. Considering this, we decide to provide these services in one platform for prompt, reliable solutions. Export-Import is our backbone among all services. We are also concerned about pollution & its effect which can be controlled by plantation, therefore we also provide multiple plants in our Go Green Project segment.

International Mongers is an established organization from Kolkata (West Bengal) that has been offering a wide range of products belong to food & agriculture industry and healthcare industry. We serve as the foremost manufacturer, exporter, and supplier (wholesaler/retailer) of premium quality seafood, decorative items, wooden pallets and dry dates. We are also involved in rendering export import services, startup consulting services, accounts & tax services, technical it solutions services, CCTV installation services, hotel & tourism services, real estate services, event cinematography services, product photography services, international event organizing services, and law & legal assistance services. All our products are hugely demanded across industries for their superior quality and cost-effectiveness. We are capable of bulk producing products, and timely supplying the same with the help of our well-knit network and strong distribution channels. The company has a support of expert individuals, who work together to achieve the set organizational goals.

Established in the year 2016, International Mongers is recognized as a dependable name in the global market. We are based in Kolkata (West Bengal, India), and we are operational across the markets. Since establishment and under the astute leadership of Mr. Pritam Das (Owner), we have been maintaining cordial relationships with our clients and catering to their needs effectively.
