# About Us

Amar Agri Bio Farming is counted amongst the leading names in the market of Pune. We are in the business of exporting and supplying the best quality Shyama tulsi leaves, tulsi ark, and tulsi oil. The Shyama tulsi that we offer is considered as one of the purest Tulsi and is used for its medicinal purposes in curing throat infections, respiratory system, nasal lesions, ear ache and skin diseases. We make available Tulsi Ark that is widely known as a go-to remedy to get rid of cough, cold flu, and sore throat owing to its analgesic and antiseptic properties. Moreover, our expertise in providing tulsi oil has allowed us to gain a huge clientele all over Pune.

Amar Agri Bio Farming is a Pune (Maharashtra, India) based company, which is operating in the industry since 2008. Mr. A K Sharma is the CEO of the company, who has always guided us to achieve our set objectives on time.

## • Our Expertise

We are backed by a reliable team of adroit and astute professionals, who have worked in this domain for several years and have gathered a rich knowledge of the same as well. These professionals are known for their good working style and timely completion schedule as well.

## • Our Expertise

With the experience of more than a decade, it has become possible for us to cater to various Shyama tulsi leaves, tulsi ark, and tulsi oil requirements of the clients. We are also known for our fair business deals.
