WWW.RUDRAKSHSALES.CO.IN

To supply a qualitative range of products, Rudraksha Sales has put the step in the market. We are among the leading manufacturer and suppliers of POS Paper Roll, Thermal Transfer Ribbon, Barcode Labels, Thermometer, Printer, Custom Labels, Software, Hot Stamping Foil Labels, Posiflex Fanless Pos Terminal, and Laser Barcode Scanner.

Established in 2017, we are now counted among the most favourable firms in this business domain. Under the supervision of Mr Shreyansh, we are moving ahead productively. He guides all of us with his outstanding mentorship. Our company is established in the city of Udaipur, Rajasthan (India).

Our Team

The designers are capable enough to provide the latest products. The quality analysts we have in our firm have sufficient industry knowledge. They test the quality and accomplishment of all our products and thus supply the approved ones to clients. We design all products by taking into concern, of the changing industry desires and market leading price.

Our Aim

Our main target is to satisfy clients, always.

Why Choose Us?

All the professionals who work with us, come with unbelievable industry experience and we always meet the diverse needs of clients. We use only high-quality material to deliver high-quality products. A few aspects that make us a preferred name among clients are as follows:

- Remarkable infrastructure
- Qualitative products
- Highly qualified professionals
- Convenient delivery
- Easy payment modes
- Reasonable pricing
