About Us

Belfas BVBA is a Belgium base company that has branches in England. It was founded in 1993, we are reliable and prominent manufacturer, exporter, and supplier of high-quality fruits, vegetables, animal products, sanitizer to our customers at affordable rates. Belfas BVBA are a highly reputed enterprise for our quality and longevity of our products. We are preoccupied with offering the best quality products throughout the nation at affordable prices. We are capable of allocating vast quantity products according to the specification and needs of customers at affordable prices.

Our Quality product

We are appraising to offer best quality products to our valued customers. Our quick delivery of orders and customer-centric services has enabled us to build a reputation in the industry as a trustworthy manufacturer. We are leading of our competitors for our market-competitive prices, timely delivery of orders. We assist our customers in providing quality products to our clients quickly and timely. We also aim to provide the best possible prices to ensure buyers get value added services.

Distribution Network

We offer products on the timely basis of our consignment right at our customer's place. We provide a variety of products at different prices to accommodate all different types of clients. Our channel partners also take care of the quality of our products and also make sure it is contamination-free and only then send it to the customers.
