ABOUT US

Cocohouse stands as truly outstanding among providers, wholesalers, vendors and exporters in India. We support a huge scope of best fare quality food items, flavors which have made us a pleased name from one side of the country to the other and around the world.

We believe in top notch workmanship innovation, we tend to utilize simply the best crude materials, we have accomplished extraordinary statues occupied with food, flavors sent out, making our items clean and solid.

In case You Are A Food Retailer/Wholesaler Or Food Business Entrepreneur Or Importer Then Yes, You Are At The Right Destination. We Are One-Stop-Destination For Best Export of Quality Coconut Products (Edible and Non-edible), Spices (Pure and Blended) And Chicken Products (Fresh and Frozen). We Deliver All Our Products Across The World.

QUALITY ASSURANCE

Quality is our excellent strength at Cocohouse. It gives earlier significance to the adherence to severe quality testing measures. It is pressed by quality investigators, who lead distinctive quality tests at each level of the assembling system of the items.

We accept that we go about as the arbiter between the producer and the end purchaser. Our capacity to synergize these two angles has assisted us with getting our benchmark on the lookout. Quality assumes an incredibly fundamental part in this situation.

We have an amazingly durable filtration measure for merchants/vendors on the board, constant in-cycle, and last examination by an autonomous solid outsider assessment organization.

We ensure that the pressing, marking, transportation of the items are as per the determinations of the client.

Sufficient, clean and orderly stockpiling of items is our central issue of giving quality and ideal conveyance of merchandise. We further give alternatives to disinfecting the items to meet diverse microbiological boundaries.

By working in close organization with our merchants/vendors we are competent to have full following and recognizability of the crude material. We have created and hold fast to the standard working methodology for quality administration in our organization.

OUR VISION

To be a supplier of choice, to grow into an organization that will be ideal in its trade dealings keeping in mind all its stakeholders. By stakeholders we mean not only the "customer" but also the supplier, the shipping line, customs house agent, employees and all those who are a part of the value chain.

OUR MISSION

To focus persistently on our internal and external work systems.

To offer products at the most competitive price without compromising on quality. We assure sustainable aspects towards the quality of products.
