About Us

Mehak Handloom Industries was established in 1986 by the expert guidance of our esteemed CEO, the reverend Mr. Rajneesh Baweja. He has an experience of 30 years in the Handloom industry and it is due to his profound knowledge of the industry and his great insight, that we have been able to achieve such great heights of success. Our aim is to guarantee 100 percent customer satisfaction and our strength lies in the premium quality Handloom products that we offer to the customers.

INFRASTRUCTURE

The greatest strength of our company lies in its state-of-the-art infrastructure. We have excellent quality machinery equipped with great functionality and latest technology. Our dedicated and skilled workforce is the backbone of our company and we bank upon them to deliver products suited to the needs and requirements of different customers.

QUALITY ASSURANCE

Providing the most premium quality Blankets, Bed Sheets, Bed Covers and Blazers to our customers has been our prime concern. Our products are manufactured under strict supervision and stringent conditions. All our products undergo a complete quality check before they are delivered to customers.

NETWORK

We have a huge network that is spread all over India and also overseas. Our high quality Handloom products are exported to USA and several European countries.
