ABOUT US

Established in the year 2020, Riblam is a prominent manufacturer, exporter, and supplier that offer supreme quality Riblam Food Sanitizer to our customers. We are engaged in supplying high-quality products across the country at a reasonable price. Our company is based in Kolkata and spearheaded by Mr. Malay Kumar Mishra and Mrs. Ila Mishra, under whose leadership, our company has been creating a long list of reputable clients with our customer-friendly approach. Our professional and skilled team of employees are trained at fixed intervals to keep them updated with the changing market scenarios.

Quality Control

We are manufacturing food sanitizers in a wide range of sizes such as 100 ml to 25-liter food sanitizer, etc. We take pride ourselves as an enterprise that serves the best food sanitizers at reasonable rates. Our experienced and hard-working professionals are dedicatedly offering high-quality products as per the specific needs of the clients. Our products are Peracetic acid based

, alcohol-free and, they are eco-friendly and biodegradable. Peracetic Acid is approved as food sanitizer in USA, E.U., Australia, etc. Our company has obtained a lot of appreciation for supplying products that are hygienic, safe, and eco-friendly and biodegradable.

Why Us

We are fulfilling our clients' needs and requirements by treating them with care. Following are some reasons that make us stand ahead of our competitors :

- ✓ Exceptional quality products
- ✓ Manufactured by qualified and skilled people
- ✓ Profitable pricing
- ✓ Vast distribution network
- ✓ Stipulated time delivery of orders
