ABOUT US

Incepted in the year 1994, Kisan Fodder Mills Pvt Ltd is a reckoned Manufacturer and Supplier of premium Cattle Feed. Located at Varanasi (U.P.), the firm is managed under the proficient headship of its CEO, Mr. Narendra Singh who has an adequate experience in the domain. The firm has enhanced its business activities all over the market by adopting effectual business methodologies given by its mentor.

Quality Assurance

The company has a wide infrastructural base well furnished with modern testing amenities. The testing equipment and machinery at the production unit work on modern testing techniques. The firm has employed an adept team of quality analysts who conduct the required tests and examinations before the final dispatch of Cattle Feed.

Warehouse

The company has advance warehousing facilities that make it proficient in handling bulk stock of Cattle Feed in an efficient manner. Furthermore, proper hygiene is maintained at the storage house due to which the Cattle Feed retains its natural nourishment.

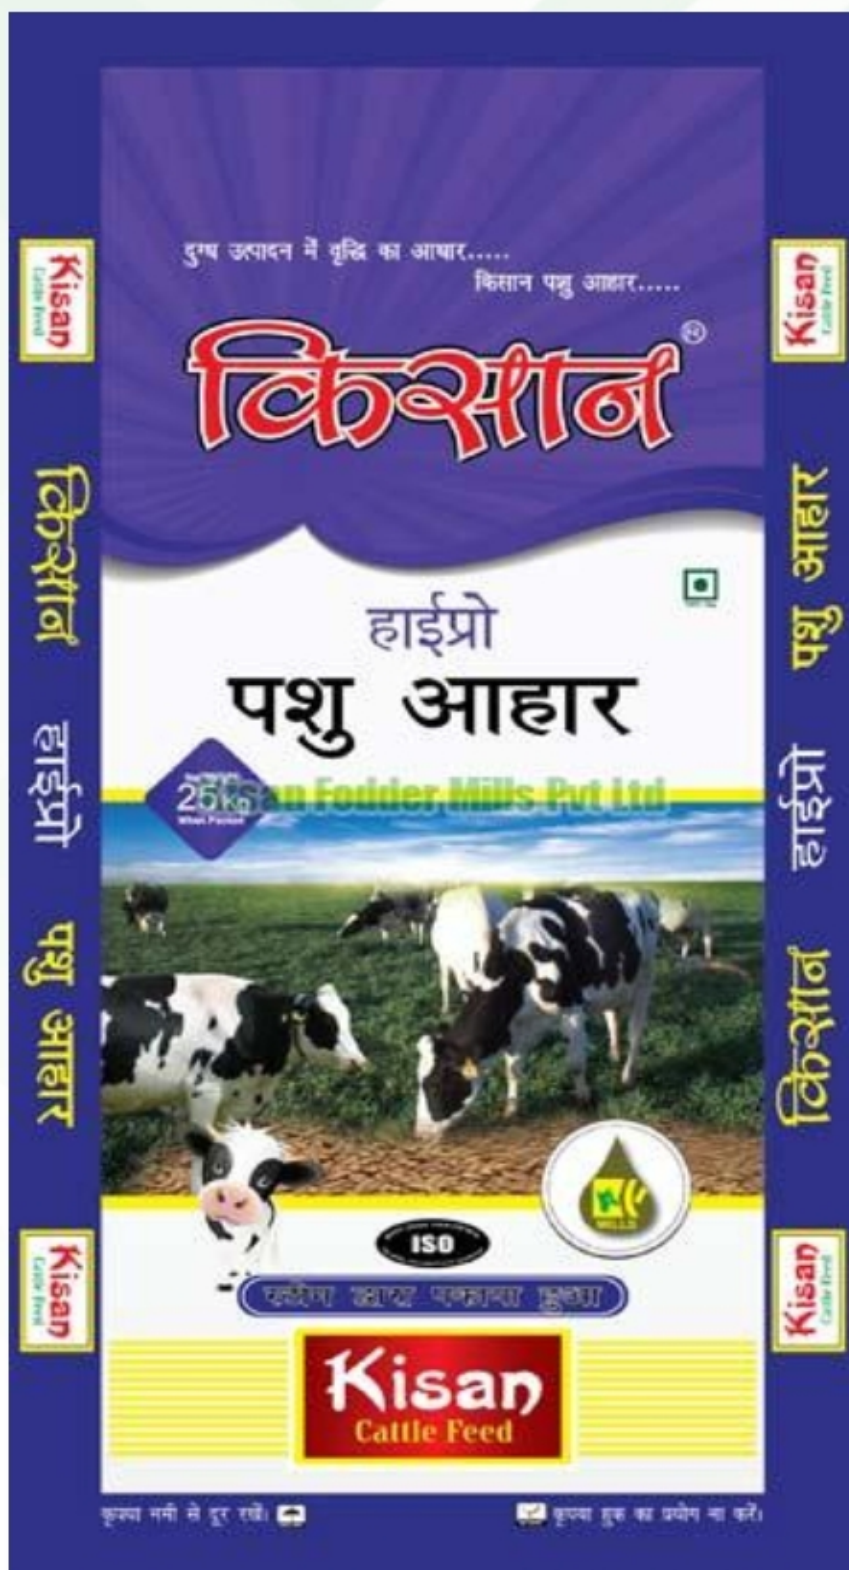

Clientele

The company is a customer centric organization that maintains transparency in its dealings. The firm has garnered a huge clientele across the states of U.P., Bihar, Jharkhand, Orissa, Bengal, and Assam. The clients are efficiently catered by the company according to their varied requirements.
