NPC NATIONAL PRODUCT CORPORATION

ABOUT US

National Product Corporation (NPC) would like to introduce itself as one of the leading Manufacturers & Suppliers of Makeup Sponge, Foundation Brush, Mascara Brush, Face Pack Brushes and Eye Blender Brushes in India. It is experiencing accelerating growth since its inception in the year 1998. The company is based in Pune (Maharashtra, India).

A Brief History : In the early years of its growth, the company manufactured typewriter-cleaning (type cleaning & dusting) brushes and was sole supplier to the leading typewriter manufacturing giants in India. In the due course of its development, the company started manufacturing make-up brushes for the leading companies in India. Make-up brushes manufacturing being its forte, NPC also produces brushes to cater to the personal care, pharmaceuticals, beverages and other industries.

Our Manufacturing Unit : The company has a well-established manufacturing unit that is installed with the latest machines and equipment. The unit is also well equipped with injection molding facility for plastic components and supply to automobile, electronics and cosmetic industry.

Quality Assurance : As we give priority to the quality of the products, we ensure zero defects at buyers end. Our quality control executives carry out various stringent quality tests to assure least manufacturing defects.

Services : For Inland & Exports consignment, we have long term arrangements with renowned logistics organization that provide support to the products till customers doors. We can also send material inland by road as per the requirement of the clients.
