ABOUT US

Based in Rajsamand (Rajasthan), Kalptaru Enterprises is a celebrated name in the domain of trading that brings forth an ultimate range of minerals. We are a well-known supplier of superior quality minerals like crystal quartz, mica stone, and potassium feldspar. All these minerals are obtained from certified mining companies, who use advanced equipment and modernistic technology in the production process and supply us only high-grade products. Our ready lots of minerals comply with international quality standards. We supply minerals in good quality packaging materials, and offer the same at reasonable prices.

Kalptaru Enterprises was established in the year 2011, when an industry veteran i.e. Mr. Hemendra Singh (CEO) decided to bring out the finest range of minerals. The company's brand value has witnessed a rise due to the marketed products' fine quality, natural properties, and reasonable pricing. The CEO of the organization possesses a massive experience in mining and mineral industry.

Our Vendors

We have developed strong business links with the reputed vendors of the market to ensure to source high-quality minerals. Our vendors supply us only premium quality minerals, which we serve to the quality conscious buyers in the domestic markets.

Clientele

We are known for manufacturing & supplying world-class products. They are widely preferred by the buyers due to the quality and price. Thus, it is enough to tell that we have a vast clientele across the Indian subcontinent and it is rapidly expanding.
