Dwarkesh Mineral and Chemicals is a renowned Manufacturer, and Trader Company dealing in perfect quality Marble and Granites since 2022. Our watchful perspectives equip us to bring ahead a broad collection of quality-tested products. We have specialization in Natural Stone, Rajasthani Granite Slab, Snow White Marble Slab, Mineral Lumps, Calcite Lumps, Potash Feldspar Lumps, Soapstone Lumps, Mineral Powder, Calcite Powder, Dolomite Powder, Mica Powder, and Mineral Grains.

We are working as a client-focused company and strive to make a product portfolio that features wide-ranging benefits of strength, toughness, fine finish, crack resistance, and affordability.

To answer the demands of the construction and decoration usage in both residential and commercial spaces, we have executed leading techniques at our well-integrated work setup.

Our infrastructure

Our manufacturing units are equipped with advanced facilities that assist us to carve a niche in the mining business. Moreover, we are a team of devoted professionals who endeavor to maintain the leadership stature we have gained by giving the finest grade natural stone products at the best cost. Moreover, intact and on-time deliveries would have been possible due to the trustworthy logistics companies whose allied support earned us the skill to exceed the hopes of estimable clientele.

The strong industrial expertise of Mr. Mahendra Sharma assisted us to enlarge our commercial footprints. His motivation inspires us to bring ahead an eco-efficient product range at the best cost.
