About Us

Established in 2017, Agarwal Enterprises specialises in producing excellent quality industrial safety products. We offer corporate gifts, ear protectors, heat-resistant gloves, safety jackets, helmets, belts etc. We are proud to have been fulfilling the need of the global market by serving superior-quality products.

Our Goal

From the very beginning, our immense dedication towards our work make us the prime choice in the entire global market. We are strived to create a long-lasting relationship with our clients based on timely service, incredible products, and safety rules. To fulfil this goal, we behave with all our employees generously. We involve them in the continual quality development procedure. This is to ensure responsiveness, inexpensiveness and sincerity.

Since our inception, we are only determined to offer excellent quality products. Our products hold extreme importance in commercial industrial manufacturing units. What makes us unique is we offer our products without compromising quality. Being a distinguished brand Agarwal Enterprise always aims towards delivering products that are of supreme quality in their respective field.

Our USP

Countless clients love to purchase our products because of our incomparable quality and numerous discounts. We use different

Agarwal Enterprises

innovative techniques to manufacture our products. This is to meet the increasing market demands. To make excellent quality products, we always use superior quality raw materials along with high-end machinery. Our products are capable to offer effective results as they arrive in the market after rigorous quality checks.

We include a team of expert members. They have years of experience in the industrial safety equipment sector. Another feature of our company is our rapid and hassle-free delivery procedure. Our highly skilled team-mates work with their best efforts to make our product supply chain the most efficient. We offer excellent quality packaging for our products.
