About Us

Established in 1999 our company Raina Creative Rugs is the counted among the leading and trustworthy organisations of this domain. We are engaged in manufacturing and exporting a wide range of products which include flat weave rugs, hand-knotted rugs, hand-tufted rugs, hand-knotted Turkish knot oushak and leather carpet. Offered products are manufactured from supreme grade basic materials by using modern tools and technology. All these products are made as per the industrial parameters under the supervision of our experienced and skilled professionals.

To suit the increasing requirements of our customers and clients we are offering these products in different patterns, sizes, colours and designs. Along with this, we also, provide our

customers with products at industry leading price range. Our offered products are highly in demand all around the world due to optimum quality.

Why Us?

We are offering a wide range of products to our valued customers and clients according to their needs and requirements. The products are made with superior quality materials in compliance with the industry-approved standards. We have a broad distribution network across the world to deliver our products within a limited period. We are known for our punctuality and customer services.

Call us to know more about our products and delivery policies. Our products are affordable and long-lasting.
