# ABOUT US

## Kamdhenu Farms

Kamdhenu Farms has been founded in 2017 as one of Kadaknath Chickens, Kadaknath Eggs, and Kadaknath Chicks' leading suppliers and wholesalers in Tapi, India. The consistency is guaranteed by the Management for a longer life of all these products. These products are extremely popular in different sectors and can be obtained in multiple sizes from the marketplace.

### QUALITY ASSURANCE:

In addition, we have a quality management unit, in which the entire set of parameters such as development, quality, and completion are verified. All units are designed to deliver a high-quality product range with all the necessary equipment, machines, and technology.

### OUR TEAM:

Our highly trained and seasoned teams of experts help us meet a range of predefined goals. The team has been split into many highly operational units for purposes of enhanced and highly productive operations management. These units improve the company's production potential in the most productive and reliable way. These experts are grouped according to their field of expertise. In addition, daily training sessions for optimum employee satisfaction are offered.

### OUR INFRASTRUCTURE:

We deliver a broad variety of goods thanks to a modernised infrastructure base unit. This helps us to achieve our development goals effectively. We provide these goods with our latest tools and technology in compliance with industry standards. In addition, they are made easier by advanced equipment which guarantees a perfect production rate.
