ABOUT US

Aadius Enterprises is a leading Manufacturer, Supplier, and Exporter of Solar LED Lighting Solutions, established in 2020 under the visionary leadership of Mr. Ushman Malik. Based in Ghaziabad, Delhi NCR, we have rapidly emerged as one of the fastest-growing names in the solar and LED lighting industry.

We specialize in an extensive range of Decorative, Landscape, Industrial, Residential, and Commercial Solar LED Lights, including solar street lights, high mast & stadium lights, integrated and semi-integrated solar systems, smart surveillance solar lights, flood lights, signal & safety lights, portable solar lighting, and lithium battery solutions. Each product is developed through continuous research and innovation to ensure high performance, durability, and energy efficiency.

At Aadius Enterprises, our lighting solutions are designed to be eco-friendly, cost-effective, and aesthetically appealing, delivering reliable illumination for outdoor areas, villages, residential societies, commercial spaces, and industrial applications. We offer products in a wide range of warm and cool tones, backed by 2-year, 3-year, and up to 5-year warranties, ensuring long-term customer satisfaction.

Known for our modern designs, smart features, and customized solar lighting solutions, we aim to create luminaires that go beyond functionality—enhancing lifestyles and elevating outdoor and architectural spaces. With a strong presence across Delhi NCR and pan-India, Aadius Enterprises remains committed to quality, innovation, and complete customer satisfaction through sustainable lighting solutions.

DECORATIVE & LANDSCAPE SOLAR LIGHTING
