Established in the year 2006, we at Suji Traders are working with the vision of offering path-breaking solutions in wood products. We have continued focus on innovation and an intense focus on product quality in the last many years to bring the vision to life. Our product list includes MDF Board, Pre Laminated MDF Decor Paper, Betel Nut, Supari, and Areca Nut. In this way, we pioneered new technologies for the Indian market and set a good condition on business standards.

Our manufactured products are broadly acknowledged among buyers for their clear appearance, moisture resistance, and simple of applying and stripping off good adhesive goods, and tear-proof. Moreover, our skilled experts focused hard to find the special demands of the valued customers and give the complete product range for the same.

We have recognized an in-house testing unit, wherein our presented products are accountable to stern tests on diverse measures. The product is strictly tested by our quality controllers before its ending dispatch at the client's areas. The offered range can also be shopped by our precious customers from us at the most reasonable rates.

Under the valuable management of our mentor "Mr. Dhanasekar", we have been able to touch such a peak of achievement in a short time. Due to the domain expertise, we have attained a huge number of clients all over the world.
