ABOUT US

Padmavati Spices Private Limited is a promising name in the Indian spice and dry fruit bazaar. Led by S.B Bhise, this is a Maharashtra-based company with its corporate office in Satara. We are serving as a trustworthy supplier of Indian spices like whole & grounded spices. All spices are produced by licensed manufacturers in the industry. Apart from spices, we are agile in offering highest quality dry fruits at competitive rates. Our specialty lies in providing different cashews and dry raisins. The immaculate quality of our spices and dry fruits has made us a credible name in the market.

Padmavati Spices Private Limited established in the year of 2023. The key aim behind setting up the company was to provide the immaculate quality Indian spices and dry fruits at competitive rates. Owing to this, we've gained popularity in the market. We are backed by a diligent team that is ready to offer the best services 24/7.

The Storage & Packaging

We store all spices, like whole & grounded, and dry fruits like cashews & dry raisins, under the same roof. There are separate sections for storing spices & dry fruits. All orders are packed and dispatched from the storage. We do not compromise on the quality and hence, assure an intact packaging of our products.

Logistics

For assuring timely deliveries of different orders, we have a logistics team. Depending on the address location, we choose the appropriate mode for making a smooth delivery.

Choose Us

Despite being a new entrant in the market, your love has been helping us to prosper. You must choose us because we do not charge a single extra penny apart from price plus GST. Next, all deliveries are made on time that delights the client.
