ABOUT US

Ayodhya Natural

Ayodhya Natural is the well-known production house from Sangli (Maharashtra) that brings forward a striking range of products for the healthcare industry. We serve as the foremost manufacturer and supplier (trader) of superior quality perfume fragrance oil, sandalwood powder, herbal seeds, babul tree gum, dry coconut, white sesame seeds, shikakai powder, natural face pack powder, sandalwood perfume, and sweet holy basil oil. All our products are manufactured using high-quality raw materials in compliance with the quality and safety guidelines of the healthcare industry. In addition, we make use of the advanced machines for the hygienic production of the products. We make available our products in bulk quantities and in any required specifications. We offer our all the products at the competitive prices.

Established in 2020, Ayodhya Natural has made strong footprints under the headship of Mr. Dattbhavu Nalawade. He serves the company as its founder. His business management skills and far-sighted ideas have helped us create a distinguishing position in the market.

MANUFACTURING FACILITY

We own a well-structured manufacturing facility that is installed with all required machines and amenities essential for the safe and bulk production of products we deal in. We keep our facility up to date as per the latest developments of the market.

WHY US

With the experience of years, we have been catering to small and massive product demands of the buyers with utmost ease. Being a client-centric firm, we facilitate clients to pay through different modes – offline and online. Besides, we ensure that our offerings are delivered to the client's place within the promised timeline.
