About Us

Lakshmi Trading and Services have been successfully working in the industry of incense stick manufacturing since 2020. We have earned a good name in the market and trust of the customers at the same time. We are based in Nagpur, Maharashtra (India) and supplying the products all over the World.

The company produces and supplies incense sticks of world-class quality. We make sure to give the best quality, fragrance and lasting ability. The company specialises in Incense Sticks and Dry Dhoop Sticks. Get more than 10 varieties of incense sticks in different undertones- floral, premium, woody and cosmetic.

● Our Vision

The brand envisions a future wherein every Indian household uses Lakshmi Trading and Services to turn their prayers more divine and pure. Incense sticks not only bless your prayers but also strengthen your mood, calm you down and even increase attention. The holistic uses of incense sticks assist one in living a better and fuller life which we aspire to achieve.

Our products are available in different packaging solutions. We accept bulk orders from the side of the customers.

Mr. Prasad Pimprikar, our contact person is ready to listen to the needs of the customers. With hard work, dedication, farsightedness, and dynamism our company has turned into one of the most trusted and accepted brands of our times.
