www.arhatglobal.co.in

Arhat Global Inc is a well-known name in marine industry of India. We are located at Asia's largest Ship Re-cycling Yard ALANG, INDIA.

We are stockist, supplier and exporter of Re-usable and Refurbished Marine machinery and spares. We are a team of highly qualified Maritime Professionals with experience of 10 years in the industry and have a vast network among the industry.

Our main mission is to establish a long term business relationship and best to serve our clients all over the world. We believe in serving our best and providing world class services.

Supply:

- **Ship Machinery** - Marine main engine, Auxiliary engine, Turbochargers, Refrigeration Compressors, Pumps, Motors, Purifiers, Heat Exchangers, etc.
- **Spare parts** - Main components of Engine such as Piston, Cylinder Cover, Connecting rod, Liner, Crankshaft, Bed plate, Block etc.
- **Navigation Equipment** : Radar, AIS, GPS, Gyro compass PCB etc.
- Lifeboats, Davit, winch, Anchor Chains etc.

Quality check:

- N.D. testing
- Magnaflux crack check
- Sand blasting
- Ultrasonic test,
- Alignment Check,
- Hardness test

Name of Founder → Mr. Samir Charania

Year of Establishment → 2019

Nature of Business → Exporter & Supplier

Number of Employees → 10

MARINE MAIN ENGINE

Fuel	:	MDO, HFO
Output	:	1 MW to 8 MW
RPM	:	500 to 1000
Rated Power	:	380 V, 440 V, 6.6 KV, 11 KV
After Sales Service	:	Spare Parts Backup

Second-hand complete marine main engines in the field of power generation for ship propulsion. Diesel or Heavy Fuel compliances. We supply Engines, parts or Complete Generator Sets of the known makers, listed below.

MARINE DIESEL GENERATOR

Fuel	:	MDO, HFO
Output	:	250 KW to 8000 KW
RPM	:	500 to 1000
After Sales Service	:	Spare Parts Backup

Second-hand complete engines for auxiliary application on ship Diesel or Heavy Fuel compliances. We supply Engines, parts or Complete Diesel Generator Sets of the known makers, listed below.

MARINE AIR COMPRESSOR

Condition	:	New, Recondition, Second-hand
Origin	:	Genuine Product
Cooling	:	Water, Air
Capacity	:	30 m3/hr to 350 m3/hr
Pressure	:	8 Bar, 25 Bar, 30 Bar
Duty	:	Engine Starting, General purpose

Fully recondition compressors with load test reports and spare parts

For the most known makers & models :

- Yanmar
- J.P. Sauer & Sohn
- Tanabe
- Sperre
- Atlas Capco

EMAIL :- arhatglobal.inc@gmail.com

Call :- +91-9033349778

MARINE HYDRAULIC MOTOR

Condition	:	New, Recondition, Second-hand
Origin	:	Genuine Product
Duty	:	Crane, Winch, Hatch Cover
Design	:	Radian Piston, Van type, Fix Displacement, Variable Displacement

Complete recondition hydraulic motors with load test reports for marine application in cranes, winches, hatch covers makers :

MacGregor, Hagglunds, Mitsubishi, IHI, TSUJI, TTS, O&K, Hydralift, Liebherr, Fukushima, Ulstain – Norwinch , Rexroth – Hydromatik

MARINE TURBOCHARGERS

Condition	:	New, Recondition, Second-hand
Origin	:	Genuine Product
Warranty	:	Inspection Reports

Complete unit and main components such as gas casings, air casings, bearing casing, filter, rotor shaft, impeller, diffuser, turbine blades, nozzle ring, turbine bearing, blower bearing, oil pump etc. can be supplied.

- BBC/VTR → NAPIER
- MAN B & W → IHI
- MITSUBISHI → ABB

OIL PURIFIER

Condition	:	New, Recondition, Second-hand
Origin	:	Genuine Product
Fluid	:	Lub Oil, Fuel Oil
Capacity	:	500 L/Hr to 8000 L/Hr
Power Spec.	:	50 Hz, 60 Hz

Fully recondition oil purifiers / separators with test reports.

Maker

- ALFA LAVAL
- MITSUBISHI
- WESTFALIA

EMAIL :- arhatglobal.inc@gmail.com

Call :- +91-9033349778

REFRIGERATION COMPRESSOR

Condition	:	New, Recondition, Second-hand
Origin	:	Genuine Product
Gas	:	R22, R404, R417C, R407C, R134A
Design	:	Open Type, Semi Shield Type

Fully recondition Refrigeration compressors with load test reports and the range of main components can be supplied from our large ready stock.

- Maker
- Carrier
- Daikin
- Mitsubishi

SHIP MACHINERY

Condition	:	New, Recondition, Second-hand
Origin	:	Genuine Product
After Sales Service	:	Spare Parts Support

Below listed ship machinery can be supplied.

- Fresh water generator
- Turbine
- Governor
- Bow Thrusters
- Heat exchanger
- Oil Mist Detector
- Winch

MARINE NAVIGATION EQUIPMENTS

Condition	:	New, Second-hand
Origin	:	Genuine Product

Marine navigation equipment can be supplied in very good working condition

- GYRO COMPASS
- AIS
- RADAR
- GPS
- MAGNETIC COMPASS
- ECHO SOUNDER
- AUTO PILOT
- ARPA
- PCB CARDS

PUMPS

Condition	:	New, Second-hand
Origin	:	Genuine Product
Medium	:	Fresh Water, Sea Water, Oil, Sludge
Design	:	Vertical, Horizontal

Fully recondition marine pumps, fresh water pump, sea water pump, ballast pump, oil transfer pump; ejector pump can be supplied.

For the most known makers :

Oil/fo/do pump

- Desmi → Teikoku → Heishin
- Naniwa → Taiko → Kvaerner
- Shinko → Hamworthy → Allwiller

HYDRAULIC PUMPS

Condition	:	New, Second-hand
Origin	:	Genuine Product
Design	:	Fix Displacement, Variable Displacement

Complete recondition hydraulic pumps with load test reports for marine application

For the most known makers and models:

- Rexroth – Hydromatik → Parker → IHI → Ulstain – Norwinc
- Denison → Kawasaki → Volvo
- Sauer → Mitsubishi → Fukushima

MARINE LIFEBOAT

Color Red	:	Red
Feature	:	Durable, High strength
Warranty	:	1yrs
Engine Power	:	10-13Bhp
Fuel Type	:	Diesel
Loading Capacity	:	500-1000kg

MARINE ANCHOR CHAIN

Type	:	Anchor Chains
Material	:	Stainless Steel
Feature	:	Fine Finishing, Good Quality, Perfect Shape, Shiny Look
Appearance	:	Antique
Finishing	:	Polished
Packaging Type	:	Plastic Packet

ENGINE PARTS - 4 STROKE

Type	:	Marine Engine Parts
Condition	:	New, Second-hand
Warranty	:	Class Inspection Reports
Use	:	Marine Engine
Origin	:	Genuine Product
Engine Spec	:	Medium Speed, High Speed
RPM	:	500 to 1800

We supply Main components of 4 Stroke medium Speed engines for marine and power plant application. New, Recondition and Second-hand quality controlled parts can be supplied.

ENGINE PARTS - 2 STROKE

Condition	:	New, Second-hand
Origin	:	Genuine Product
Engine Spec	:	Slow Speed Propulsion

We supply Main components of 2 Stroke slow Speed engines for marine and power plant application. New, Recondition and Second-hand quality controlled parts can be supplied.

Our stock for main components :

- Crankshaft, Main Bearing, Crank Pin Bearing
- Engine Frame, Bedplate
- Camshaft, Cam Roller Assembly
- Cylinder Cover, Valve Cage, Valve, Seat, Guide
- Piston, Piston Ring, Piston Pin
- Connecting Rod, Bushing
- Liner, Anti Polishing Ring, Flame Ring
- Fuel Injector, Fuel Pump, Nozzle, Plunger
- Cooling Water Pump, Lub Oil Pump, Fuel Feed Pump
- Air Starter

- After Cooler, Oil Cooler
- Exhaust Manifold
