

TULASI TRADERS

We are actively engaged in manufacturing and supplying the best quality Indian pulses, coconut, and fresh onion. We offer various Indian pulses such as moong dal, urad dal, lentils, kidney beans, white chickpeas, split chickpeas, and many more. The Indian pulses that we offer are enriched with vital nutrients such as proteins, vitamins, etc. We offer various coconuts like coconut copra, fully husked coconut, semi husked coconut, and tender coconut. The coconuts provided by us are largely appreciated for their nutritional content and mouth-watering taste.
