

Looking for the purest and the most natural lemons? At The Fresh Lemons, we are the leading manufacturer and supplier of Fresh Vegetables, Flavored Honey & Hing Powder. We are based in Surat since 2021 and we have been offering fresh lemons for a variety of purposes; both non-culinary and culinary. Rich in vitamin C, calcium, and potassium, our range of lemons is also rich in anti-bacterial properties.

Keeping in mind your health and our environment, we only produce organic lemons that are free of toxins. It is the rough and thin rind that keeps all our lemons in their exact shape throughout the process of transportation. The fresh lemons we harvest in our farms are offsprings of our meticulous nurturing and utmost passion for growing nutritional fruits.

Fresh Lemons with No Added Colours or Additives

We vouch for the taste of our lemons and all of them include the right proportion of citric acid, hence rendering them the right kind of sour taste. We are known to supply our harvested lemons to different parts of the country.

Our range of juicy lemons is in high demand by various industries for its exclusive characteristics. The lemons we offer are grown under the utmost hygienic conditions and are priced affordably. They lack all kinds of pesticides and are required to undergo several quality-test procedures before getting delivered to you. Contact us to place your order for fresh lemons.
