SAVARKUNDLA - 364515 (GUJARAT)

Established in the year 2016, we at
Titanic Scale are a renowned
manufacturer and supplier of different
kinds of Weighing Scale.

ABOUT Us

Established in the year 2016, we at **TITANIC SCALE** are a renowned manufacturer and supplier of different kinds of Weighing Scale. We are based in Amreli, Gujarat (India), and are owned by Yogesh Harsora.

We are specialized in Digital Hanging Weighing Scale, 60 Kg Platform Weighing Scale, 100 Kg Platform Weighing Scale, 300 Kg Platform Weighing Scale, 200 Kg Platform Weighing Scale, Super Close Body Manual Counter Scale, 10 Kg Manual Counter Scale, 5 Kg Manual Counter Scale, Iron Manual Counter Scale and 15 kg Manual Counter Scale along with a host of different other weighing devices. These devices are offered in different models, capacities, weighing/measuring units and sizes, and are developed and planned to calculate a wide choice of items starting from jewelry, confectionery, metals, to food items, plastics, newspapers, and cloth among others.

Our vehicle scale approaches give the best level of accuracy and avoid unexpected downtime thanks to a special design and remote diagnostics solution. To show the capabilities, in-motion weighing, dimensioning and recognition software solutions boost throughput and give opportunities for the revenues.

We are expected to give complete satisfaction to the customers. Following the same conditions, we are providing our produced machines at market-leading rates with security of on-time delivery.

To keep the best quality standards, we confirm for the fabrication machinery is properly maintained and upgraded on the regular basis. If you have any sort of query and need more information, our friendly customer team is ready to assist you.
