

**MGE**

Transforming Businesses & People

Our office is based in Faridabad, Haryana, India's national capital region. Our locality gives us the advantage of staying connected with the rest of the world. Handled by a team of experts and compiles with stringent Quality control norms & International Food Safety Standards, Our commodities come from Uttar Pradesh-the top farming, green and fertile state in India.

Advancing agriculture as a backbone of this state's economy, rich cultivated soils of the bank of river Ganges follow the large geographical area of Uttar Pradesh. That helps in making this state a top producer of food grain in India.

**MAA GAYATRI ENTERPRISES** relishes an envious share in the domestic market from the first stage of the supply chain from territorial acquisition, extensive logistics, export services to delivery, import, storage, and distribution. We maximize our trade partners' value and boasts of a pan-India presence.

With an explicit focus on top product quality, a substantial product portfolio and a substantial technological base, our company is approaching the path of rapid growth in the agro commodity division.
