Established in the year 1976, we at Kapasi Trading Corporation are renowned suppliers of laboratory equipment. We have specialization over Laboratory Equipment, Digital pH Meter, Magnetic Stirrer Bar, Stainless Steel Homogeniser, Remi Direct Drive Stirrers, Remi Geared Stirrers, Remi Plus Stirrers, Eltek Stirrers, Magnetic Stirrers, Karl Fischer Titrators, Blood Bank Equipment, Centrifuge Machine and Weighing Balances among others.

We are working as a client-centric company and we always try to give the best level of satisfaction to our clients in the best possible way. Apart from supplying a broad range of equipment, we also give after-sale service to assist the customer repairing & installation.

We strive hard to answer the needs of the clients with the best product range & services while answering Indian as well as global standards. We focus that our tremendous success belongs to our professional team members from the manufacturers who are doing perfectly for the growth of the company.

Our mentor, Mr. Hemant P Kapasi (Company Founder), has guided us to be proficiently reaching the best level of success. We focus on ongoing participation in the manufacturing planning procedure which permits us to anticipate, instead of just reacting to our changing production needs. We are committing unparalleled customer service to our clients globally. We have achieved great quality product performance while keeping the personalized service according to wishes.
