About us

BD Global, your trusted supplier and exporter of premium peanut butter. Founded in 2024 by Mrs. Binita Desai, our company is proudly rooted in Ahmedabad, Gujarat, where we craft our products with passion and dedication. At BD Global, we believe in the power of wholesome ingredients and the joy of natural flavors, which is why we offer a diverse range of peanut butter options to suit every palate.

Our Journey

Our journey began with a simple vision to provide nutritious, delicious, and accessible peanut butter that can be enjoyed by everyone, from health enthusiasts to families. Each jar of our peanut butter reflects our commitment to quality and sustainability. We source the finest peanuts, ensuring they are organically grown and ethically harvested. This not only enhances the flavor but also supports local farmers and sustainable agricultural practices.

Delightful Texture

At BD Global, we understand that everyone has their own taste preferences, which is why we offer a variety of peanut butter types. Our natural peanut butter is perfect for those who appreciate the pure, unadulterated taste of peanuts, while our organic peanut butter caters to health-conscious consumers looking for certified organic options. For those who enjoy a bit of crunch, our crunchy peanut butter provides a delightful texture, and our smooth peanut butter is a creamy dream for spreads and recipes alike. We even offer a honey peanut butter that combines the rich taste of peanuts with the natural sweetness of honey, creating a unique flavor experience.
