# About Us

Set up in the year 2017, A.V. Polyfilms is a renowned business entity engaged in manufacturing and trading a qualitative range of BOPP bags, BOPP films, CPP films, golden film rolls, metalized BOPP films, metalized polyester rolls, milky LD plastic rolls, polyester bags, etc. We are known to make use of premium grade components and the latest technology to produce the entire product range that we offer. Under the supervision of Mr. Rajesh Verma (the company's founder), we have become the first choice of our clients. He consistently inspired the team to work with utmost dedication and set a benchmark in this arena.

## Our Infrastructure

We have an ultra-modern infrastructural base that is fully equipped with all the necessary amenities. Our objective is to understand the specific requirements of our clients and provide them with a suitable range of products. We are a customer-centric organization and we strive to accomplish the customers' needs in an efficient manner. Our quality control professionals are very experienced and highly skilled. They are well-versed with the latest developments in the industry and perform accordingly. With their innovative techniques, they keep adding value to the entire product range in terms of utility. Additionally, we ensure the timely delivery of our products.

## Why Us?

Since our inception, we have been involved in delivering top-quality products to our clients and ensuring their utmost satisfaction. Here are some of the relevant facts for which we are the first choice of our clients:

- ✓ On-time product delivery
- ✓ Advanced manufacturing unit
- ✓ Ethical business policy
- ✓ Superlative range of products
- ✓ Broad distribution network
- ✓ Competitive price structure
