COCOMIX INDIA

introduces itself as a significant name in the industry of Coimbatore. We are actively engaged in manufacturing, exporting, and supplying the best quality grow bags, buffered coco peat, coco chips, coco disc, and coco peat.

About Us

COCOMIX INDIA introduces itself as a significant name in the industry of Coimbatore. We are actively engaged in manufacturing, exporting, and supplying the best quality grow bags, buffered coco peat, coco chips, coco disc, and coco peat. We offer various types of grow bags like plant grow bag and poly grow bag. The grow bags that we offer are made using the best quality materials. These grow bags are widely known for their supreme quality and durability. The buffered coco peat that we offer is basically a chemical process consisting of replacing sodium and potassium with calcium, washing away excess waste. Moreover, our expertise in offering coco chips, coco disc, and coco peat has allowed us to gain a huge clientele all over Coimbatore. Connect with us now by dialing our numbers to purchase our products.

Operating in the industry since 1995, Cocomix India has become a tremendous name in the industry under the headship of Mr. K Jeya Prakash (Company Founder). The company is headquartered at Coimbatore (Tamil Nadu, India).

OUR TEAM

Our team includes highly experienced and qualified engineers, supervisors, delivery experts, managers, packaging experts, and many more. All these professionals have all the vital acquaintance of their work field as well.

WHY CHOOSE US?

Our widespread experience of more than 25 years has allowed us to become a tremendous name in the industry. In addition to this, we are also instrumental in catering to various customized requirements of the clients.
