## ABOUT US

Reche Enterprise is an emerging name in the market of South Garo Hills. As a team, we are serving as a commendable exporter, importer and supplier of the finest quality flaked grains, fresh fruits, Indian pulses, Indian rice, bakery products, tuber vegetables, and soft core of palm tree. We provide several flaked grains like flaked corn, flaked oats, flaked rice, and flaked wheat. Our flaked grains are known for their nutritional content. We provide various fresh fruits such as fresh grapes, fresh papaya, fresh orange, fresh muskmelon, fresh pomegranate, fresh pineapple, fresh banana, etc. Our fresh fruits are rich in various nutrients like proteins, vitamins, minerals, and many more. We also make available different Indian pulses like washed urad dal, split urad dal, white chickpeas, Bengal gram, etc. We pack these products in various high-grade packaging materials.

Situated in South Garo Hills (Meghalaya, India), Reche Enterprise is operating in the industry since 2021. Under the expert guidance of Reche Marak (Company Founder), we have become a significant name in a quick span of time.

### ● Our Team

We are supported by a remarkable squad of scrupulous and industrious professionals, who are working in this domain for many years. The professionals that we have hired in our team have high commitment level towards completing their work on time.

### ● Why Choose Us?

As a newcomer in the industry, we have been able to understand the exact client's requirements in a quick period of time. In addition to this, we are also known for offering the best and fair deals to these clients as well.
