ABOUT US

SUKUN INTERNATIONAL is a phenomenal organization in the market of Jamnagar. We are actively engaged in manufacturing and supplying the best quality aluminium products, stainless steel products, brass products, super marble tower bolt, acrylic I bat, and many more. We provide several aluminium products such as aluminium baby latch, aluminium tower bolt, and aluminium L bat. The aluminium products offered by us are made using the best quality aluminium material. We provide several brass products like brass marble tower bolt, brass L hinges, brass D bracket, brass mirror cap, brass tower bolts, etc. These brass products are largely appreciated for their great quality, corrosion resistance, and durability. The different stainless steel products offered by us are widely known for their durability and quality. The entire stock of our products is available in different sizes and specifications.

Situated in Jamnagar (Gujarat, India), Sukun International is operating in the industry since 2020. Under the headship of Mr. Ali Abbas (Company Founder), we have been able to become a tremendous name in the industry in a quick time.

OUR TEAM

A squad of adroit and deft technicians, supervisors, engineers, managers, packaging experts, delivery experts, and many more is there for us to handle all our company operations. All these professionals have contributed equally to the company's growth in the past times.

WHY CHOOSE US?

Working in the industry with a client-centric approach, we have been able to gain a decent clientele in Jamnagar and other cities of Gujarat as well. In addition to this, we are also recognized for making whole transparency during all the transactions with the clients.
