ABOUT US

AMBER ART EXPORT is located in a city of Rajasthan – India called 'THE SUN CITY' – the city from the very past is engaged in the business of Wooden, Iron, Brass, Stone, Marble and Sandstone Handicrafts.

We are leading Indian handicrafts manufacturers, suppliers and exporters and operate throughout the world. **AMBER ART EXPORT** is an amazing world of highly designed Handicrafts and Antiques in itself where traditional aesthetics meets modern innovation. Till now we have produced a wide array of highly beautiful furnitures and decorative items. All our Products are made by highly skilled and professional team of artisans. Who strive to work for excellence and to maximise client's satisfaction.

Our highly skilled craftsmen are expert in crafting structures using several material including Solid Wood, Iron, Cast Iron, Marble, Sandstone and others who are continuously striving to produce creative works of art. We being an Indian handicraft manufacturer allow our customers to get a wide range of handmade handicrafts with the sizes, shape and design as per requirement of our customers. Our handicrafts at Jodhpur – Rajasthan are loved and admired all around the world in every location because of the finishing, beauty and an antique look associated. We basically deal in Wood Craft, Iron Craft, Marble and Sandstone Handicraft, Beautiful Home Décor Antique Items, All kind of Outdoor Furniture and other similar products. Our array of handicrafts in India helps enhance beauty of your living or working place, availing a traditional appearance to that.

AMBER ART EXPORT believe in reliability, quality and good work – our strengths ! All our products are manufactured by following laid down procedures for quality according to international norms. We ensure flawless production and distribution of our products. The quality control checks done under professional personnel to make sure that the products meet all international standards. We owe our success to the support of our clients. We have a trustworthy and satisfying client base which is spread all over the globe.

We have built sophisticated manufacturing facilities in our units that enable us to deliver the orders in shortest possible lead time. Our team of adept designers, artisans and other craftsmen check all the aspects of quality in our products. We have established a special department to take care of goods, packing, accurate weighing etc for achieving total customer satisfaction.
